

Why join the School Council & Society?

- Increased knowledge on school curriculum by hearing from teachers first-hand
- Meet and connect with other parents
- Help plan fundraising events
- Have a say in how to spend funds earned
- Help plan fun school events (i.e. movie nights, dances)
- Receive council perks like front row seating at school events

We're on Facebook!

Stay on top of important updates at Acadia School!

Search for
"Acadia School Parent Council" and request to join the group.

What is Council?

The School Council of Acadia School is committed to working with the school community to ensure that quality learning opportunities are provided for all of our students.

We support the many diverse and innovative programs offered in our school and work closely with our administration to enhance the educational opportunities available in our school.

All parents and legal guardians of children enrolled in our school are members of our School Council. Executive positions are filled at our fall meeting, usually held in September of each year.

Parents are encouraged to attend the regular meetings of the School Council and we remind all parents that your input and feedback are very important to ensuring the success of our school!

Many important topics are discussed at School Council meetings and they are a good source of information as well as a great opportunity to speak up and have your opinion heard.

DID YOU KNOW...

You are already a member of the Acadia School Parent Council by having a child attending this school!
