Group 2: Monday & Wednesday 6:00pm-7:00pm

Group 3: Tuesday and Thursday 5:00pm-6:00pm

Group 4: Tuesday and Thursday 6:00pm-7:00pm

Dear Parent/Guardian,

The Calgary AfterSchool Connects (*Program Kits for At Home Virtual Fun or Learning*) will provide children with a supportive environment to engage in a variety of interactive, fun and skill development opportunities.

Our FREE virtual program will focus on improved self-control, self-regulation, constructive use of time, positive peer relationships, and social skills with positive adult role models and mentors.

Program supplies will be distributed in activity kits and these will be delivered to your child's school. Items in this kit will include supplies for our online sessions as well as additional activities they can complete on their own or with minimal adult support.

Please be assured all equipment, items and preparation spaces used during kits assembly were disinfected to ensure the health and safety of all participants.

To be a part of the Calgary AfterSchool Connect Virtual program, **we recommend that you download the FREE Microsoft Teams App** onto your laptop or phone app for best use. Use the following link to download the app.

<https://teams.microsoft.com/uswe01/downloads>

An invite will be sent to your e-mail address from your registration form to join the sessions. See instructions provided additionally to this letter to help you log into Microsoft Teams App to join the program.

Please return registration and waiver form to your school administration to register your spot. Indicate which group you would like to attend. Children can only attend one group.

Please note, space is limited, and priority is given to children who will be attending all planned sessions.

Thank you for considering your child's participation in this program!
